MAYOR'S FORWARD PLAN AND WORK PLAN

This Plan is published in accordance with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012. It provides details of key decisions which the Executive will be making during the above period.

A key decision is a decision made by the Mayor either by himself, through his Executive, by individual Executive members or by officers performing an Executive function and is one which either results in the Council incurring expenditure or making savings which are significant (compared to the local authority's budget for the service or function to which the decision relates) or is one which is significant in terms of its effects on communities living or working in an area comprising of two or more wards or electoral divisions in the area. The Council's constitution states that 'significant' includes (a) any decision by the Executive in relation to proposed recommendations to Council to amend the policy framework; (b) any single item of expenditure or savings in excess of £50,000; or (c) any decision which is likely to have a permanent or long term (more than 5 years) effect on the Council or the Borough.

A key decision cannot be made until at least 28 clear days has elapsed between publication of this document and the day the decision is made. An exception to this rule is where such publication of intention is impracticable. In those circumstances the period of 28 clear days may be reduced to 5 clear days provided that the chairman of the Overview and Scrutiny Committee has been informed of the matter and shorter notice has been publicised. If 5 clear days cannot be given then a decision may only be made if the Chairman of the Overview and Scrutiny Committee has agreed to the making of the decision on the grounds that the decision is urgent and cannot unreasonably be deferred.

Where the decision maker is shown to be the Executive, the Executive will comprise of Mayor Mike Starkie and Councillors David Moore as Deputy Mayor, Steven Morgan and Andy Pratt.

Copies of any document listed in the plan will be available from the officer shown in the table when the report is released, subject to them not containing confidential or exempt information.
