Do you have any comments or issues from the outside body representation to be carried forward into 2020/21?

Yes we as a Council don't do only £25 per annum, would like to see a increase. As the amount of good community issues covered. Sam is very helpful employee from Council who constantly brings me up to speed like that to continue.

In your opinion should the Council continue to have member representation on this outside body

Yes definitely it has been a bumpy year, with election and covid 19, but feel these are dedicated people with a vast amount of knowledge and a member can help.

Please use this space to provide any comment on your position:

I have enjoyed working in this group and feel there is a need for it in Whitehale. I feel with my position I have been bringing issues to address promptly to the Council if need be for the benefit of us all.
