Do you have any comments or issues from the outside body representation to be carried forward into 2020/21?

Yes, we as a council would like to see an increase in the amount of good community issues covered. Sam is a very helpful employee from Council who constantly brings me up to speed with what is going on.

In your opinion should the Council continue to have member representation on this outside body?

Yes, definitely it has been a bumpy year with electric and council issues, but feel there are dedicated people with a vast amount of knowledge and a member can help.

Please use this space to provide any comment on your position:

I have enjoyed working in this group and feel there is a need for it in Whitehawk. I feel with my position I have been able to address promptly to the council needs for the benefit of us all.
